The screenshot shows a web browser window with the address bar displaying 'ap.html (/var/www/html/my_app) - gedit'. The page content is rendered from an HTML file named 'ap.html'. The main content area displays a table with two rows. The first row shows a 'Score' of 56, and the second row shows a 'Genre' of 'CodePen'. Below the table, there is a footer section with a black background and white text. The footer contains a list of social media links for Facebook, Twitter, Google+, CodePen, LinkedIn, and Github, each preceded by a corresponding social media icon. The footer also includes the text 'Game Arena- 2018 @Dakshita Sharma'.
